LETTER FROM THE MAYOR

Welcome to beautiful Leander, Texas! Since you've made the decision to join our amazing community, you probably already know about our award-winning school district and our CALEA-accredited police department. If you're opening your business here, you already know we're growing at a rate 24 times the national average and that our residents have some of the highest household income in the region. If you've just moved here, you probably fell in love with our 350 acres of parks and how we manage to maintain our small town feel while being just a hop, skip, and a jump away from Austin.

So let me tell you some things you might not know: Leander's greatest strength is in our community. "Community" is not just a word we toss around here. We would love for you to dive in, get involved, and mingle with your neighbors. Join the Chamber of Commerce and network with other business owners. Bring your family to Old Town Street Festival, Liberty Fest, and our Christmas Parade & Tree Lighting. Make sure to come outside each October for National Night Out, walk with us in our annual MLK march, enjoy the egg hunt every spring at our Eggstravaganza, and join us throughout the year for Movies in the Park and the Sunset Music Series.

Community is the heart of everything we do and we're glad you've decided to be a part of it. Nobody in Leander is a stranger and you can feel free to contact myself and the city council about anything at any time. We're here for you. So on behalf of our community, our residents, businesses, city staff, and Council, it is my distinct honor to welcome you to Leander, the rising star of Texas!

All the best,

Mayor Christine

TRAIL OF TRAINS

Starry Texas Nights
Leander Chamber of Commerce
100 N. Brushy, Leander

WHY TRAINS AND WHAT IS THE TRAIL OF TRAINS?

Leander was established in 1882 on land sold by the Austin and Northwestern Railroad Co. The town was named in honor of Leander "Catfish" Brown, one of the railroad officials responsible for the completion of the line. The railroad established Leander, and today it is the only stop outside the city of Austin on the Capital Metro rail.

To commemorate and honor both our past and future, the Leander Chamber of Commerce and Visitors Center invites visitors to explore the Leander Trail of Trains, honor our enduring heritage and promising future.

For extra fun, complete our Trail of Trains Photo Scavenger Hunt and pick up some fun prizes along the way.

HISTORY IN LEANDER IS ALIVE AND WELL

Experience our past through our historic homes, churches, and markers – these sites tell the story of our settlers in the Texas Hill Country.

MASON HOMESTEAD

The Mason Homestead is an 1860s-era restored farmhouse in the heart of Leander. The property was part of a 300-acre tract that was given to Charles C. Mason by his father shortly after the Civil War ended in 1865. In 2005 the 3½ acre Homestead was given to the City by Charles Mason's granddaughter, Christine Mason. Today the City of Leander maintains and rents the home out for special events. *(Pictured above)*

DINOSAUR TRACKS

One of our fossil records is a set of dinosaur tracks possibly made by an acrocanthosaurus. It looks similar to the tyrannosaurus rex. It stood 15 feet tall and 38 feet long. The prints are on private property. Just north of where 183 and 183-A come back together, you'll find the bridge over the South San Gabriel. The tracks are found on the south side of the river, just about a halfmile downstream from the bridge.

LEANDER UNITED METHODIST CHURCH

This sanctuary was constructed here in 1879. The Bagdad sanctuary was relocated at this site on land deeded by Sarah J. Walker. Many prominent area leaders have been members here, including several who later became ministers.

LEANDERTHAL LADY

The geology and weather of Leander, Texas has preserved a number of amazing fossils. Back in 1983, a woman's skeletal remains were found on a construction site. After close examination it was determined she was 10,000 to 13,000 years old. This site was one of the earliest intact burials ever found in the United States. This prehistoric woman was dubbed the "Leanderthal Lady".

BAGDAD CEMETERY

Opened in 1857 with the burial of 3-year-old John Babcock, whose father Charles later gave the tract to the community. Other early burials were Civil War veteran John Haile and Col. C.C. Mason.

LEANDER PRESBYTERIAN CHURCH

This church was built in 1884. Many descendants of early members remain active in the life of the church.
